

Talatha Rural Community Water District

Drought Water Management Plan

May 20, 2026

Talatha Rural Water District has declared a water management plan due to Severe Drought Conditions.

The following plan and procedure have been established for water users in the TRC Water District in and around these areas listed below. (Call office if you need to know which Area your property falls within)

Landscapes can be watered three times a week.

Area 1- Hwy 19 starting at Corinth Church to Brayboy Rd

(Allow water Tuesday, Thursday, Sunday)

Area 2- Brayboy Rd to Kool Spot

(Allow water Sunday, Tuesday, Friday)

Area 3- Dollar General to Lincoln Way

(Allow water Monday, Wednesday, Saturday)

Failure to comply with the following uses of water will result in Violation/fines as follows:

- Failure to repair a leak within five business days
- Eliminate Pressure washing, washing down homes or other surfaces
- Eliminate washing all vehicles
- Watering landscape, and gardens on the wrong day
- Eliminate filling swimming pools, ponds, water fountains

Violation/Fines

1st Violation-\$50.00

2nd Violation-\$150.00

3rd Violation-\$250.00

4th Violation- Meter will be pulled and payment of a new tap fee will be required

Effective immediately, until further notice. If you have any questions or concerns, please contact TRC office at 803-652-1381
